# Discover

## St Just & Land's End Area

Famous all over the world for its mining history, dramatic coastline and spectacular beaches, the St Just and Land's End area in the far west of Cornwall is situated in an Area of Outstanding Natural Beauty.

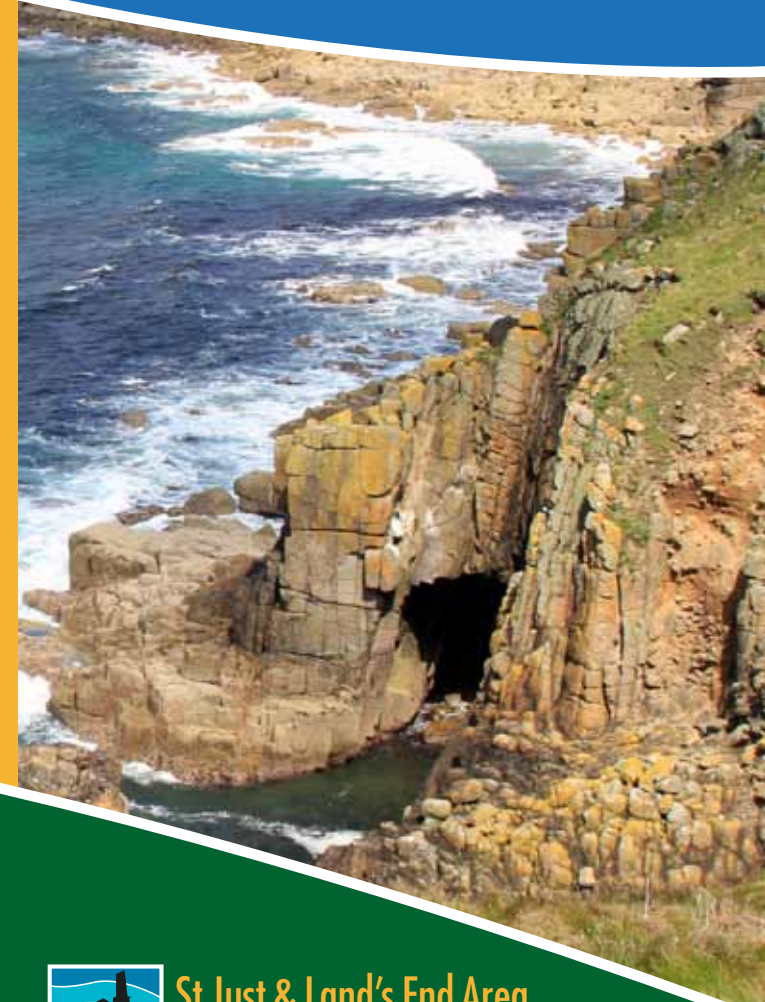

Highlights include the St Just Mining World Heritage Site, the Minack Outdoor Theatre, over 30 miles of the South West Coast Path and a wealth of other natural and man-made treasures.

This leaflet has been compiled by the St Just and Land's End Area Chamber of Commerce. Further copies of this leaflet and the other leaflets in our range are available from local shops, tourist information centres and via our website.

For up to date information about the St Just and Land's End area including local events visit:

The iconic Crown Mines are situated on the edge of the cliffs at Botallack

Levant Mine with its restored working Beam Engine.

Geevor Tin Mine, now a working museum with underground tour.

Pendeen, a traditional granite mining village with a range of local shops, pubs, a farmers' market and lighthouse.

Cape Cornwall, the only cape in England, is a National Trust landmark.

Sennen Cove, the 'bay where dolphins play', great for surfing, swimming and sunbathing on golden sands.

St Just, a welcoming town, shaped by its industrial mining past is also home to a medieval amphitheatre, the Plen-an-Gwary

Land's End, the legendary rocky outcrop shaped by the power of the Atlantic waves.

The parish of St Buryan is dotted with stone circles and Celtic crosses, burial chambers and ancient holy wells.
